

Cornelius “Big Mow” McGrassington III

123 Dandelion Lane, Weedville, NY 14999 | (585) 555-LAWN | bigmow@totallyrealmail.biz

OBJECTIVE

To leverage my 47 years of grass-whispering experience in a dynamic, fast-paced mowing environment where I can finally prove to my mother that landscaping *is* a real career.

PROFESSIONAL EXPERIENCE

Chief Grass Officer 2019 – Present

McGrassington Family Lawn Empire — *Backyard, NY*

- Personally responsible for maintaining 0.3 acres of residential turf to competition-grade standards
- Developed proprietary “just eyeball it” edging technique, achieving 40% straighter lines than previous seasons
- Reduced dandelion population by 12% through aggressive staring and motivational speeches
- Managed a team of one (myself) with zero HR complaints

Senior Leaf Relocation Specialist 2015 – 2019

Dave’s Definitely Legit Landscaping — *Rochester, NY*

- Relocated over 2.3 million leaves across 4 autumn seasons using state-of-the-art rake technology
- Pioneered the “blow it into the neighbor’s yard” efficiency methodology (later discontinued)
- Employee of the Month, November 2017 (only employee)

Junior Weed Identification Intern 2012 – 2015

Rochester Community College Grounds Department

- Correctly identified grass as “green” 98.7% of the time
- Maintained detailed spreadsheet of which weeds looked “kinda cool actually”
- Assisted in the Great Mulch Incident of 2014 (details available upon request)

EDUCATION

B.S. in Turf Sciences (Incomplete) 2008 – 2012

Rochester Community College

- GPA: 2.1 (“but I was on the Dean’s radar, which is almost the same as the Dean’s List”)
- Relevant coursework: Introduction to Dirt, Advanced Dirt, The Philosophy of Mulch

SKILLS & CERTIFICATIONS

- **Equipment:** Push mower (expert), riding mower (intermediate), scissors (beginner)
- **Software:** Microsoft Excel (can open it), Google Maps (for finding lawns)
- **Languages:** English, Conversational Plant
- **Certifications:** CPR (expired 2016), NYS DEC Pesticide Applicator (pending since 2019), Forklift (why not)
